Below is the email from Sue about the Murray Energy CBI. I had John do a search of the files in the CBI cabinet and we found nothing for Murray Energy or any of the subsidiaries. At this point have not found any documents or correspondence stating that any of the records were CBI.

Let me know what you want to do about this.

Jonathan: I vaguely remember asking Murray if any of its produced documents were CBI – I thought there may have been a few. If so, these documents would be in the CBI file cabinet. If you recall, you had made a copy of the submitted documents to a CD – this should be with the file.

I also have all the documents on the ftp site.
